**REMARKS****Present Status of the Application**

Applicants appreciate that claims 4-10 have been considered to be allowed.

The Office Action has also suggested amending claims 4, 7, and 10. Applicants have amended claims 4, 7, and 10 accordingly.

Applicants have also amended claims 4-6, in which "design" is deleted, to more accurately claim the present invention, directing to "A mask". It is believed that this amendment does not change the consideration of patentability and should be acceptable.
